

CRACKS AIN'T ENOUGH

... BUT LEAKY SIGHT GLASSES ARE!

Leaky sight glasses? Replace those stabilizer dampers. Cracked or crazed? Just check 'em daily. That's part of Seq. No. 4-10, TM 55-1520-210-PMS (May 75), on the Huey. Same thing goes for other birds.

THEY'RE PLEXIGLASS . . .

... CHECK DAILY
