INFORMATION LETTER UH-1H-II-12-22

**TO: All owners and operators of Model UH-1H-II Helicopters**

**SUBJECT: APPLICABILITY OF UH-1-12-AMAM-03: AFT CROSSTUBE  
INSTALLATION ON A UH-1H-II.**

Recently AMCOM released UH-1-12-AMAM-03 against all UH-1H Helicopters. Bulletin addresses the Aft Crosstube p/n 205-050-152-41 as installed on a UH-1H. This government furnished crosstube is available thru several manufacturers.

If crosstube was replaced during the modification of a UH-1H to a UH-1H-II and is identifiable as an BHT crosstube see Figure 1, then UH-1-12-AMAM-03 is not applicable as installed on a UH-1H-II.
